a.) The tuition amounts in the financial aid budget are based on enrollment of fifteen (15) hours per semester, however, twelve (12) hours is considered full-time for financial aid purposes.

b.) The fee amount in the financial aid budget is based on the maximum fees assessed to students based on full-time enrollment.

c.) Students must purchase their books and supplies. Students should come to SIU with sufficient funds to buy books, supplies and any other items necessary to begin the semester, even if the student is expecting financial aid or plans to work on campus. SIU does not issue book vouchers. The books and supplies allowance is based on full-time enrollment, but books and supply expenses will vary based on the courses that the student is taking.

d.) The actual cost of Room and Board will be based on the room and dining plan selected. Rates are available at [www.housing.siu.edu](http://www.housing.siu.edu)

e.) Living expenses vary greatly based on the individual student’s lifestyle. The allowance includes transportation, clothing, living expenses not covered by on-campus housing, recreation, and other miscellaneous costs.

Financial Aid credited to the student’s account will reduce the total tuition, fees and room & board charges. Students are notified of the availability of their Statement of Account via e-mail. It is the responsibility of the student to keep their mailing and e-mail address current. These addresses can be updated on-line at [http://salukinet.siu.edu](http://salukinet.siu.edu)
