REQUEST FOR REMOVAL OF ANTICIPATED
TUITION AWARD FOR GRADUATE STUDENTS

I hereby certify that I do not have and do not plan to seek or obtain a Graduate Assistantship for Fall Semester 2023 or Spring Semester 2024 nor do I have or anticipate receiving any type of tuition award for Fall Semester 2023 or Spring Semester 2024. I will inform the Financial Aid Office immediately if this information changes. I realize that if I receive a Graduate Assistantship any loans I have received will be reduced to avoid an overaward of Financial Aid.

Your cost of attendance will be adjusted to reflect your actual Fall Semester 2023 enrollment and it will be assumed you will be enrolled for the same number of credit hours for Spring Semester 2024. If your Spring Semester 2024 enrollment is less than the assumed credit hours, your financial aid will be reviewed and reduced to reflect your Spring Semester 2024 enrollment before full disbursement of financial aid.

WARNING: If this form is to be used in the process of establishing eligibility for federal student aid funds, you should know that intentionally false statements or misrepresentation may subject the filer to a fine or imprisonment, or both, under provisions of the United States Criminal Code.
